SEATON & DISTRICT HOSPITAL LEAGUE OF FRIENDS CHARITY

Statistically it is very likely that we will all know someone who is needing the help of Seaton Friends Hospiscare @ Home, a service which is provided by a dedicated team of seven nurses who are available to help as required, allowing terminally ill patients to stay in their own home.

Hospiscare recruit and train the nurses but they are entirely funded by SEATON & DISTRICT HOSPITAL LEAGUE OF FRIENDS CHARITY, costing approximately £300,000 per annum.

This fantastic service is available to patients registered with a SEATON, BEER or COLYTON practice giving patients care and dignity, and the family peace of mind, knowing they can call for help or advice at any time of the day or night.
